

REMARKS/ARGUMENTS

Applicants have received and reviewed the Office Action mailed August 18, 2006. In response thereto applicant has canceled the rejected claims, namely Claims 8-14. Applicants have amended Claims 23 and 28 to correct the lack of antecedent basis, by changing the references to the "center bar" to the "cross bar" as previously introduced in the claims. Claim 29 has been amended to depend from independent Claim 28, instead of Claim 23 and therefore is no longer identical to Claim 27. It is respectfully submitted that in view of the amendments above, Claims 23-29 are now in condition for allowance and notification to this effect is respectfully requested.

In the event that the Examiner is of the opinion that the prosecution of this application can be advanced thereby, she is invited to contact Applicant's attorney at the telephone number listed below.

Respectfully submitted,

William L. Stonecipher
